DHB250MG	25.0	Injection molding	
DHQ500MG	50.0	Thin wall injection molding	Nucleated, antistatic
DHL250FB	25.0	CF/BCF fiber	Anti gas fading
DHD350SB	35.0	Spunbond nonwoven	Anti gas fading

Grade Nomenclature (example DHZ035SG)

D	H	Z	035	SG
Dangote	Homopolymer	Internal Reference	MFR	Application

Vinmar is a global marketing and distribution company that brings value to the world's leading producers and users of plastics and chemicals through the supply of best-in-class products and tailored business solutions.

With over 45 years of experience and success, Vinmar has grown into one of the world's largest plastics and chemicals marketing and distribution companies. The company has over 50 offices in more than 35 countries with sales in excess of 110 countries.

We have a truly global commercial footprint while providing our customers and partners the local intimacy they require and value. At the core of our business is our strict adherence to international compliance standards and Vinmar's business ethics and code of conduct policy.

For additional information about Vinmar, please visit www.vinmar.com

Dangote Group is the largest conglomerate in West Africa, with presence in 17 African countries and operations across a wide range of sectors including cement, sugar, salt, condiments, packaging, energy, port operations, fertilizer, and petrochemicals. One of the Group's subsidiaries, Dangote Cement Plc, is the largest listed company in West Africa and the first Nigerian company to join the Forbes Global 2000 Companies.

Dangote Petroleum Refinery & Petrochemicals FZE, the world's largest single-train facility, has a capacity to refine 650,000 barrels per day of crude oil at its site located in Ibeju-Lekki, Lagos State, Nigeria.

This same site also houses Dangote's world-class Polypropylene plant, with a capacity of 900 KTPA. Using INEOS Innovene PP technology, one of the renowned names in the polypropylene field, Dangote's vast range of products is tailored to cater to all the demands of customers globally.

Premier Product Marketing LLC, a Vinmar company, is Dangote's exclusive off-taker for polypropylene and will bring Dangote PP to global markets outside Africa.
